Note: No = either the tablet is not compatible, does not fit or it will make the Kubi top heavy in that orientation

Note: Compatibility requires Bluetooth 4.0 or higher independent of tablet brand

Note: Kubi is not compatible with tablets using MS Windows OS or Amazon Fire OS

Note: 2018/2019 iPad Pro 11/12.9 models do not have 3.5mm audio port, only USB C. An adapter is required for Audio Kit (not supplied)
